For a moment I was scared I wouldn't be able to implement the cube glitch, but luckily this If you miss the rocket that would be bad. Don't do that. This is not optimal, but it was the first thing I thought of to skip waiting 30 seconds for the platform to move. It is slower than myÂ ... Small optimization that I originally added to any%. Basically the same route as before but with the addition of the wall jump overÂ ... I had a whole long list of ideas that could potentially save time, and boy oh boy are they not rta viable. Maybe a tas could use themÂ ... I'm happy with this run. It will be hard to beat. Splits: Not much

to say about this one. I tried timing this against using the teleported across the map and the timing was relatively close,Â ... Small optimization over what was previously done, but technically still a route change. No more dealing with annoying movingÂ ... Big changes to this one. I think it's pretty neat. THE FINAL STRECH, were we face the queen of Rayon themselves, Polly & Ester. can we succeed at the defeating the queens orÂ ... saves roughly 6 seconds and is easier than the old route. Sloppy but you get the point. I've already mentioned the problems with the theoretical Simon game skip in the Domicidal Maniac
